BOON FOR SKIN SUFFERERS.

Based on the knowledge that diseases of the skin must be treated through the skin, D. D. D. Prescription strikes the germ that eats into the weak cuticle, and by destroying it destroys the cause of the disease. Though mild as a gargle and clearly as pure water, D. D. D. Prescription is a powerful liquid in combating the germs of eczema, psoriasis, salt rheum, ringworm, dandruff and all forms of rash.

Originally a doctor's prescription, it is manufactured so that it may reach everybody, and is not therefore a "patent" medicine. Unprejudiced doctors prescribe it freely. No extravagant claims are made for it. Its strongest recommendation comes from thousands of persons who have been cured and their letters will be shown you at our drug store.

"I wish to state that D. D. D. has given wonderful results," says Henry Kazey, of 617 Shawnee street, Leavenworth, Kan. "As I am a barber in business I recommend it to all my customers, and it has given satisfaction to all."

Get a bottle of D. D. D. today, and it will give you INSTANT relief. Chas. Rogers, druggist.

SOLDIERS ENRAGED

Saloon Keeper Short Changed a Fort Logan Soldier.

FIRE AT CROWD OF SOLDIERS

Saloonkeeper Emptied Revolver Into Bunch of Soldiers When They Objected To Being Shortchanged—Soldiers Determined to Burn the Building

PARKER, Colo., June 10.—Fearing an attempt to burn the saloon of L. F. Lambert, which probably would result in the destruction of the entire town, Parker is under guard night and day. A squad of soldiers from Fort Logan is patrolling the main street and outside districts and the townspeople are in a state of excitement.

Lambert short changed a soldier, Friday, it is alleged, and when the latter protested, emptied his revolver into a squad of twenty, injuring two so badly that their lives were despaired of for a time. They recovered after the shooting and friends of the wounded men have vowed they will get vengeance by burning the building.

Yesterday an ineffectual attempt was made to fire the place. This alarmed the people of the town and as a result of their request for protection, troops were dispatched from Fort Logan.

Intense feeling prevails against Lambert. He has not been apprehended, although the sheriff's deputies have trailed him to Denver.

WATERFRONT STRIKE.

New York Longshoremen Hope to Win When Hot Weather Comes.

NEW YORK, June 10.—Patrick Connors, the president of the Longshoremen's Union (whose members have been on a strike for several weeks for increased wages, declares there has been no weakening in the ranks of the men and that they are prepared if necessary, to stay out all summer. A surprising feature of the strike has been the firmness of the men in standing together in the face of the fact that the steamship companies have succeeded in getting many non-union men to go to work who are moving freight in fairly good shape. It has been believed that the longshoremen, from dire necessity, would be forced to abandon their strike, but thus far the men have remained firm.

The strike leaders fear that the hot weather will favor the union men, so they will have some chance of success. "Give us three or four days of scorching hot weather," said President Connors at a meeting of the strikers Sunday. "And the steamship companies will beg us to go back to work."

A POLITICAL JOB.

An International Association of Brigands Unearthed.

ROME, June 10.—An International Association of Brigands has been unearthed in Sicily by the police. Two of the leaders are in custody. From documents seized it was a local band with branches in America. The association worked in Italy and it accomplished in America disposed of the plunder. The police hope with the aid of the correspondence seized to arrest some of the accomplices in America.

CIGAR FAMINE.

Strike of Havana Cigar Makers Causes Shortage of Imported Weeds.

NEW YORK, June 10.—A famine in Havana cigars, is threatened should the strike of cigarmakers in the Cuban capital continue much longer. Dealers throughout the city have been informed by the importing jobbers that most of the popular brands of Havana cigars, especially those in the dark colors, has been exhausted. Prices are going up. New York smokes 200,000 imported cigars a day, at prices ranging from ten cents up to 50. The most popular size is the Perfecto, and this was the first to be exhausted. The cigars of all kinds, including stogies of which New Yorkers consume 1,000,000, the weekly cigar bill of the metropolis amounting to \$16,000,000 a year.

A man who is in perfect health, so he can do an honest day's work when necessary, has much for which he should be thankful. Mr. L. C. He says, "Success to Foley's Kidney Cure." T. F. Laurin, Owl Drug Store.
